Dear Hank:

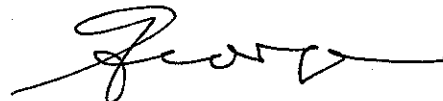

Thanks for material re Bogner, etc. (I wrote a blurb for his "Tell the Truth and Run.")

Adversaries? ME?? Hmmm. Jack Valenti disagrees with me on TV ratings, Jib Fowls (author of Advertising and Popular Culture) on advertising (he is Prof. Media Studies at U of Houston). Nadine Strassen, head of ACLU, on violence, Dick Wolf (TV producer) on violence, and a few other inconsequential jerks...

Re Unamerican Activities: Yes, I was subpoenaed by the Calif. (Tenney) committee, grilled for 45 minutes at a hearing, lots of local publicity (the other person testifying that day was Linus Pauling!). Asked and answered the "Are you or have you ever been.." questions ("No"), but at the end of that semester I was still fired from my teaching job at a Pasadena Junior College. (Good thing, or maybe I'd still be there!)

The real reason I was subpoenaed was that I had been the editor of the So. California paper of the Independent Progressive Party (Henry Wallace) before the 1948 (?) elections.

I am arriving by USAIR #36 at 5:36 on Tues. 2/18. There may be some SAG people arranging a meeting for me, but let me know if you are available that evening or the next morning or evening. Am leaving Thurs. 8 a.m.
