Hi George -

Don asked me to get you the details of the January 31 Congress steering committee meeting. I'll be sending out a letter this week, but here are the details...

We will begin at the New World Foundation (100 E. 85th St.) at 1 pm with sandwiches. The formal meeting will be from 1:30 to 4:30 pm. The phone number at New World is 212-249-1023.

Very much hope to see you.

Happy New Year,

Viveca

George -

I've been unable to check with Don about your request (he's been around town at meetings all day). I can certainly understand your eagerness to introduce your new program director to the group (as I'm eager to meet her) -- I'm simply sticking to what I've told everyone else. Katrina, Victor and Ham Fish wanted to come from The Nation, both Rory and Danny wanted to come from Globalvision, etc. You see my position... Here's the list. I have a few follow-up calls to make to people from whom I have not yet heard.

Best,

Viveca

Expected:

Ellen Braune, New Channels
FAIR representative (either Jeff Cohen, Janine Jackson or Laura Flanders)
George Gerbner, CEM (?)
Juan Gonzales, NY Daily News
Ruby Lerner, Association of Independent Video & Filmmakers (AIVF)
Alfredo Lopez, People Link
Bob McChesney, University of Wisconsin, Madison
Jon Moyers, Schumann Foundation
Victor Navasky, The Nation
Danny Schechter, Globalvision
Mark Schub, Pacifica Radio (KPFK)
Suzanne Stenson (for Jim Yee), ITVS
Jonathon Tasini, National Writers Union
Makani Themba, Praxis Project

KATE- Here's the current status. *George*

The meeting is at The New World Foundation, 100 E. 85th Street, on Friday 1/31. Sandwiches at 1pm, official meeting begins at 1:30 and should end by 4:30. We've asked that each organization only send one representative (The Nation, FAIR, ITVS, Globalvision, Pacifica, etc) -- if you want to send Kate in your place, that's fine, but if you're both there ~~xxxxxxx~~ accused of unfair practices and might lose all my friends. And it's too cold for that... Maybe you meant only Kate? Kindly let me know whom to expect -- I
