Dear George,

I trust that your conference in St. Louis was as rewarding as you expected and that the cause of less garbage in the media's message, esp. to kids, found active support.

In our first meeting in your office I thought that you wanted me to send you a list of names of possible supporters, esp. those with money. One name that should respond, I assume, is former Senator George Mitchell. But see the enclosed copy of an item from the CSM, January 3, 1996. You can take it from there, I'm sure.

The other item of interest is that the Phila. Yearly Meeting of Quakers has a Friends Peace Team that would like to invite you to join one of their committee meetings sometime soon for mutual benefit in the struggle vs. violence. Would any of the dates below be convenient?

- Monday, May 2 - at the Arch St. Meeting
- Thursday, June 6 - House, 4th & Arch Sts. ✓
- Thursday, Sept. 5 - 6:30 pm? ✓

The general topic might be The Media and Violence, or a topic related to the Environment.

If interested, please get in touch with MARY ARNETT, tel. 215/241-7232 at Friends Center, 1550 Cherry St., 19102, or at home: 215/474-2171 at 4619 Osage Ave., Phila., at yr. earliest convenience. I can assure you of an interested group whatever the topic.

Best wishes,
Ted Herman

Dear Dr. Gerbner:

On behalf of the Friends Peace Committee, I wish to thank you for speaking at our meeting on June 6th. Your thoughts and ideas were of great interest to our members and guests who would have kept you answering questions for several hours more had we not had to finish up in order to vacate the building.

I found it a special pleasure to hear you again and to pick up new insights from your excellent material. Everything that you have to say bears much repeating and I hope that some of your remarks find their way over the airwaves at WHYI and into the columns of the Philadelphia Inquirer.

As an expression of our appreciation for your taking time out of your schedule to be with us and our interest in your work, we will be sending you a check (under separate cover) for \$200. We only wish that our finances could allow us to send more.

May the Cultural Environment Movement grow and strengthen in the months ahead.

Sincerely yours,

Sally Milbury-Steen

P.S. Ted asked me to include his note and article with mine. He is very pleased with the tape recording that he made of your talk.
