Comments

I'm a new director. In response to George Gebner's letter to me of Sept. 27:

① please change the description of me on your Board list to: "Director, Foundation for Global Community; retired partner, Arthur Andersen accounting firm, in charge of their work with financial institutions in Southern California."

② Due to probable back surgery on Nov. 4, I am most likely unavailable for a board retreat until December.

Please pass these comments on to him.
Thanks!
