Enclosed are agendas for our meetings on January 28 and 29 in New York, a list of participants for Friday and logistical information about Thursday's plans.

The Ekapas and Bellagio 899ers (about 16 of us total) are the only ones meeting on Thursday. We're hopeful that we can share our progress on Thursday and decide next steps for the 5 working committees. Then on Friday, we'll open the discussion to the others.

If you cannot join us on Thursday, please let Karen McAndrew know (212-852-8451.)

I'm very excited about seeing you all again. Safe travels.
