Dear Mr. Gerbner:

The friendship of those we serve is the foundation of our progress. All of us here at Asilomar appreciate the friendship and goodwill you extended to us by allowing us to host your group. We truly appreciate your business.

I welcome your comments on your experience at Asilomar. We hope you were pleased with our service, food and accommodations. Your feedback and that of your members is most important to us and helps us reach our goals for providing continued high quality service in 1996 and beyond.

We look forward to working with you again. If I can be of service to you, call me at any time.

Kindest Regards,

Michael Bekker
