

## Table of Contents

INTRODUCTION	1
RESEARCH OBJECTIVES	2
Message System Analysis	4
Cultivation Analysis	4
Television and the Elderly	5
The Functions of Television for the Elderly	6
The Image of the Elderly on Television	7
RESEARCH PLAN	13
(1) Secondary Analysis of Cultural Indicators	
Project Data Archives	13
Message System Analysis	14
Cultivation Analysis	17
(2) Development, Pilot Testing and Implementation of a Message System Analysis Recording Instrument focusing upon the portrayal of the elderly, old age, and growing old in network television drama	21
(3) Development and Implementation of Cultivation Analysis focusing upon old age	24
ORGANIZATION AND MANAGEMENT PLAN	26
DISSEMINATION AND UTILIZATION PLAN	28
Appendix I	30
Background Publications Describing the Theory and Methodology for the Proposed Research	
Appendix II	33
Outline of the Message System Analysis Recording Instrument	
Appendix III	39
Vitae and Bibliographies of Co-Principal Investigators	
List of Pending Grant Applications	48
Appendix IV	49
Partial Mailing List for Report Dissemination	
Appendix V	53
Journal of Communication Symposium "Myths of Old Age" Autumn, 1974	

**APPENDIX I****Background Publications Describing the Theory  
and Methodology of the Proposed Research**

## APPENDIX II

## Outline of the Message System Analysis Recording Instrument

## APPENDIX III

Vitae and Bibliographies of Co-Principal Investigators

APPENDIX IV

Partial Mailing List for Report Dissemination

## APPENDIX V

Journal of Communication Symposium  
"Myths of Old Age"  
Autumn, 1974
