Dear Friends - I say who ever can come on Monday should be there. Perhaps George will have a better sense of what is going to happen. We are still hoping to do the Syllabus conference, assuming we can do it without losing money, which is the Provost's mandate. I would think any conference should be predicated on not losing money.

See you at lunch on Monday,  
Catherine

ps - EJL2000 is Elizabeth Leebron.

Just an explanation,

Catherine just left for a conference in Houston and she might not be able to see your message until Monday.

Catherine, Concetta: Can we meet on campus AH rm 5 (if free) or wherever you suggest at 11 a.m. on Monday Feb 1 (I can make it Monday a week before if necessary)? Concetta is copied on this but I do not have Dominique's e-mail address.) George

George

George - Can we set up a meeting for early in the new year to discuss what >this might mean? Dominique has her dissertation coming up and I have >committed to 2 research projects that will take up a lot of time during >this semester, and I'm presenting at 3 meetings (one in February, one in >April and one in June), and have committed to helping with the TechShow >Case that Bashar Hanna is working on for June as well. In addition I'm >teaching a new course this semester, which I'm going to repeat during >summer I, and I'm tri-chair of a national meeting in June and tri-chair of >one of the Academic Planning task forces - so I'm busy! ---

Thanks for good words. How about lunch Monday April 6 at the Diamond Club, at 11:45?  
(My class is at 1:30.) George.

Some very good thoughts. We all have our own approaches. . .and that,  
>too, makes for solid learning. Putting students first is a big part of  
>what drives me. I teach as if \*their lives\* depend at least in part on  
>what I give them. And much of that is how to think, how to approach  
>problems, and confidence-building. Wish the two of us could get together
