Dear Dr. Gerbner -

10/2/95

I dare say, your presentation at the Brandeis meeting was one of the most useful for the entire conference attendees. One person said she could have listened to you for hours. She spoke for the majority.

Enclosed, as promised is some info about Join Together's work with communities trying to stop alcohol & drug problems. We are funded by RWJ.

I would be grateful if you would keep us posted on your RWJ work about media & substance abuse.

We can get it out to groups who can use it throughout the country.

Thanks,
Diane Barry

Dr. Gerbner, Thank you again for the invitation to your presentation at Emory . I thoroughly enjoyed it. Since then, I have tried to locate (by telephone information) the Caucus of Writers, Directors and Producers in Los Angeles, that you mentioned. No luck so far. Do you have an individual's name or a specific location? Otherwise, I have no information yet on our proposed collaboration. That will take some time and careful "cloud seeding". I will keep you posted. First, I have to get my report done and submitted to the law firm. Talking to the caucus could be quite helpful in that respect. Hope you are well. Warmest regards, Ted Barry

I also enjoyed our meeting and look forward to collaboration. To reach the Hollywood Caucus, try David Levy 310 552 3191. If that does not work, we can look further. There are other likely groups too. George.
