

WORLD AFFAIRS COUNCIL
of Philadelphia

April 8, 1998

Dr. George Gerbner
234 Golf View Road
Ardmore, PA 19003

Dear George:

You did a fabulous job speaking to our members at the Council's Salon Session program of April 7, 1998.

You were your usual articulate, artful and delightful self and our audience was totally attentive to your remarks. Sharing your experiences, impressions and thirty years worth of scholarly analysis of the portrayal of violence in the mass media, specifically its effect on children to the age of six, enlightened us all.

Thank you again for joining us.

Sincerely,

Buntzie Ellis Churchill
President

P.S. Your honorarium check will be sent under separate cover.
