Hi- For A-V, I would like to have a slide projector and screen for the community program. Perhaps the same for the conference in case needed.

I just faxed you (my itinerary; please note that I am arriving in Toledo 2/2/00 at 3:21 pm, and leaving the next day at 12:25 pm.) Welcome to arrange transportation from airport; however, with late arrival possibility, risk of missing, etc. I can just take a taxi if you give me an address. So, let me know what you prefer.

I just noticed that I faxed you the old (7/16/99) itinerary. However, arrival time is same on both.

Look forward to seeing you soon. gg

See previous messages below.

Please recall that I sent you a 1-page handout to be reproduced for distribution, and the following e-mail messages.

Good Morning:
