Dear Dr. G.

This is the 7th communication and last. I read the enclosed to Dorothy Kerr as well as mailing her a copy and she suggested that I mail this pronto. You will receive her comments probably about the same day you receive this.

My best to all for a pleasant voyage.

I don't know what Dick K. told you, however, he tends to exaggerate. If the delicate condition is what I think it is please be assured that I'm too old and too smart!

By the time you receive copies of acceptances for CCE's I have already sent out my thank you' ltr and on some I was unable to write P.S. etc. If the P.S. seems to be very important I will write another ltr and I'll keep track of the ones I do not send.

I probably won't be sending anything else unless something comes in on Monday that you might be interested in.

I realized today that BEHAVIOR TODAY is a weekly publication and so far this summer you received only 1. I will call them and check on this.

See you on the 20th.

k.
