Dear Harry:

We are enclosing a revised version of the proposed contract with Oxford University Press for ANNENBERG/OXFORD COMMUNICATION BOOKS. The primary changes are under area number 3.

We are particularly concerned that 3(d) on the publishing logo/identification reads correctly; items 3(b) and 3(c) have been discussed and amplified as per Meyer's letter of October 11 (enclosed).

If all goes well, we hope to conclude this agreement on Friday.

Sincerely yours,

George Gerbner
Dean and Professor of Communicaitons

P.S. You are of course welcome to share this with the Ambassador and Merrill if you think they wish to see it.
