Hi Maggie --

Good. I should be at the phone Wed., 12/15, at 11 a.m. our time. Please call 610 642 3061. If anything goes wrong at that time (1) leave a message, including number I can call; (2) try our other number, 610 642 7479. Look forward to talking with you at that time.

In case I haven't sent you that before, a brief job description is attached. It is of course negotiable. George

Dear Professor:

>

>Can we try this again? Let me be more specific. How about a phone call,
>Wednesday, December 15th at 5pm my time which will be 11am your time. I will
>call you. E-mail the number where you would like to be called. Maggie
