Dr. George Gerbner
Dean
The Annenberg School
University of Pennsylvania
Philadelphia, Pennsylvania

Dear George:

I received the new catalog for the
Annenberg School, as well as the
invitation to Dr. Laswell's lecture.
Thanks for thinking of me, although
I don't think I'll make the talk.

But the real purpose of my note is
to tell you that I think the material
you are sending out has a nice look
about it and speaks well for your
identity out there.

Cordially,

Irwin
