Dear Mr. Gerbner:

Thanks for supporting Chicago Media Watch and helping us to continue our good work by means of your payment of \$35 in annual dues.

Your continued participation is what keeps the vital, real information coming to you that the mainstream is unwilling to publish. We hope that you will be able to attend the events that CMW will be sponsoring - you'll receive notices of them as plans are finalized. Look for their announcements in issues of the CMW newsletter.

Again, you have our great appreciation for sending in your dues.

Cordially,

Liane C. Casten
for Chicago Media Watch

I forwarded your message to acting exec director Victoria Tredinnick. Hope you'll attend and participate; watch for further info. George.

I assume I am in the database, but would love to know more about the CEM
