Dear George:

Many thanks for the info you sent about your new book. I'm looking forward to seeing it. I'm also glad that you enjoyed my presentation.

As I mentioned that evening, I was very happy to have been asked to give the George Gerbner lecture. I feel that it is quite an honor to have been asked to give a lecture in your name. It was also pleasant to see Penn and the Annenberg School again after 15 years. That was a good time in my life (the years at Penn), and I feel very fortunate to have been there while you were Dean.

Thank you again. It was very good seeing you.

Best regards,
