Dear Professor Gerbner:

I am writing on behalf of Jason Grode, who has applied for admission to the graduate program at the Annenberg School of Communications.

Jason's credentials include graduating with honors from Cornell University, producing and directing local cable television shows, developing a body of research on the effects of media on our society, and working as an intern for Bill Schneider in Washington, D.C. In addition, he will spend the next six months in Europe working on a documentary film project at the newspaper "Le Mond". He graduated from Cornell University with honors.

Jason is highly motivated and intensely interested in communications. From all I have been able to observe, he is bright and capable.

Thanks very much for your careful consideration of his application.

My best wishes.

Cordially,

Paul Simon
U.S. Senator
