

January 26, 1998

Dear _____,

Thank you sincerely for attending the Cultural Environment Movement conference on media antitrust at the Sugarloaf Conference Center this weekend. I hope your stay was pleasant, and that we'll continue to work together in the future.

Shortly I'll be sending you a report of the conference. However, I know some people are anxious to stay in touch with their new friends and colleagues, so enclosed please find a list of people who attended the antitrust conference along with available contact information.

Please call or e-mail me should you have any questions or comments. Again, thank you for braving the weather to attend the conference! I look forward to seeing you again soon.

Sincerely,

Kate Duncan
CEM Program Director
