George, Happy New Year to you!

I do not have a title or theme yet from Joan, even though I have aske
her twice. Right now, she is in Addis Ababa, Ethiopia, due back on
the 24th or 25th after 12 days and umpteen thousand miles.

I'll send you a copy of our most recent bio of her when I get back in
the office next week. I'll also try to attach it to this note, but
I'm not very confident that it will work. I don't know whether a
visit would help...but I can ask when she gets back. What's your
plan for when you want her to speak? As far as I know, the three
days are on the schedule, but it would help her planning and I think
her approach to the speech to know when she is to speak. Thanks.
Mike
