Dear George,

I want to tell you how much I enjoyed meeting and talking with you during the conference on Média and Diversity.

This event was also an opportunity for me to learn about the cultural environment mouvement (CEM). The work of this organisation is something I believe is very important. I would certainly be interested in receiving information about the upcoming conference in Quebec City, Canada.

Notwithstanding, it was very generous of you to have treated Philip, Shalini and I to that delicious chinese meal after the Sorbonne reception. I look forward to a future meeting where I might return the favours.

Jugupidamisega Teie
