Hello George:

AUG. 1, '93

I read the enclosed article a few days ago & thought to clip it & send it to you. You probably knew about it. Tonight when I saw you on the network news -- I believe it was ABC -- I remembered that I have not sent the article yet! Anyway, your name & words are all over these days & I am glad that the public get to hear what a great scholar has to say.

It was nice to see you in Dublin & I hope all is well with you.

Thanks

Abbas Malek
